1. (I) Expansion Joints & Flexible Bellows (Expansion & Suction)

Expansion Joints

Rubber expansion joints in various sizes and design viz, Single arch, Multi arch, offset, Tapered and Fitted arch. Joints can be supplied with retainer rings and control units.

(II) Bellows

Bellows

We make Bellows in Rubberized fabric and canvas bellows tailor made to fitment design. This components are used as flexible joints in vibrating system and as cover for piston rod and other moving components. Bellows are made with/without reinforcement in neoprene, silicon and natural rubber for various industries like food processing, aluminium, steel and other uses. We also make PTFE/Graphited PTFE bellows as per customer requirements.

(III) Expansion Bellows

Size range 80NB to 1500NB (+) in pressure ratings from 1 to 16 Bar.

(IV) Suction Bellows

It is used in hydraulic pipelines with / without flanges from 25NB to 200NB.

Maruti Plastorub Industries

311 Nandanvan Complex, Opp _ RTO Circle, Shubhashbridge,
Ahmedabad 380027.

Phone No: +91 9825799595, +91 9825153691

Email us at: info@marutiplastorub.com

Fax 079 30075503

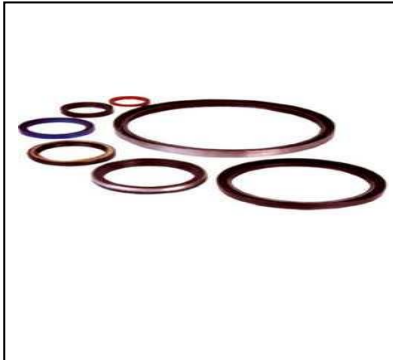

2. Diaphragms

We can make diaphragms for various sizes, in different shapes in natural, neoprene, EPDM, silicon and viton rubber.

We have also developed Teflon laminated rubber diaphragms for valve and pump.

3. Oil Seals and Shaft Seals

We manufacture metallic wiper seal in NBR, silicon, viton & (p.u)

Shaft seals with / without metal inserts in various sizes from 6mm to 800mm ID in NBR and viton rubber.

Type of oil seals we manufacture : A-Type, B-Type, C-Type, in silicon , viton and NBR .

Maruti Plastorub Industries

311 Nandanvan Complex, Opp – RTO Circle, Shubhashbridge
Ahemdabad 380027.

Fax: 079 30075503

4. V-Rings, O-Rings and Quad Rings

(I) V-Rings : Various sizes in E,L,S,A section of Forsheda 'V' Rings for high speed sealing made of NBR ,viton and silicon rubber.

(II) O-Rings and Quad, (x) Rings : In silicon, viton, neoprene and NBR rubber in various sizes for perfect sealing.

5. Rubber Sealing Rings for Gas Mains, Water Mains and Sewerages

(I) O-Rings for CID joints (IS 5382: 1969 and IS 10292) from 80–600mm.

(II) Rubber Gaskets for mechanical joints (IS 5382 and 12820) from 80mm to 1500mm.

(III) Push on joints – TYTON Gaskets (IS 5382 and IS 12820) from 80mm to 1000mm.

(IV) Rubber Ring Roll – on Joints (IS 458–1988) from 80mm to 2200mm.

Maruti Plastorub Industries

311 Nandanvan Complex RTO Circle Shubhashbridge
Ahmedabad - 380027.

Website :- marutiplastorub.com

Email us at: info@marutiplastorub.com

Fax: 079 30075503

6. Seals for Hydraulic and Pneumatic Cylinders

U and W seals, Rod seals, Piston seals, Gland packing Chevron packing and Lip Packing, Cup Seals, Tudco seals, Guide Rings, Wiper seals, Step seals, Turcite Glyde Rings and any other seal of any section and material viz. Viton, Nitrile, Silicon, PTFE, Bronze / Glass Filled PTFE, FRP and PU.

We have also developed various seals kits for different cylinder make like Oscar, Wipro, Veljan Hydrair and others.

We also make seal kit as per your particular requirement given sample / drawing of the same.

7. Polyurethane (P.U.) Products

360 INDUSTRIAL PRODUCTS

Trolley Wheels, Vanes, Buckets and Rotor Blades, Seals, Impellers, Polyurethane Bearings, wiper ,spider ,and other component's .

We undertake plastic,pvc,nylon,dalerin items.....

P.U-SEAL

Maruti Plastorub Industries

311 Nandanvan Complex, RTO Circle Shubhashbridge

Ahmedabad – 380027.

Website:- marutiplastorub.com

Email us at: info@marutiplastorub.com

Fax: 079 30075503

8. Water Stopper

We also make water stopper in PVC and Rubber of shapes:

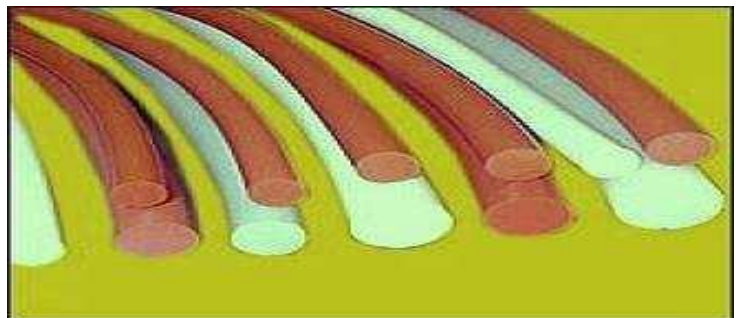

- (I) Corrugate with central bulb (with / without end grips)
- (II) Dumb Bell shape with central bulb
- (III) 'V' shape with end bulbs.

Conforming to IS : 12200 and IS : 15058 – 2002 in various widths and thickness.

9. Silicon & other products

- I) Transparent Silicone Rubber Tubing's of Foods and Pharma grade of various sizes.
- II) Silicone Rubber Sleeves from 0.5mm to 25mm ID for insulation purposes.
- III) Profiles of silicon rubber for industrial applications as per requirement.
- IV) We make all size strip's and cords in viton, silicon, NBR, EPDM & natural rubber

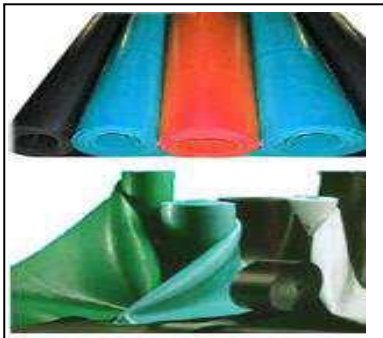

Maruti Plastorub Industries

Email us at: info@marutiplastorub.com

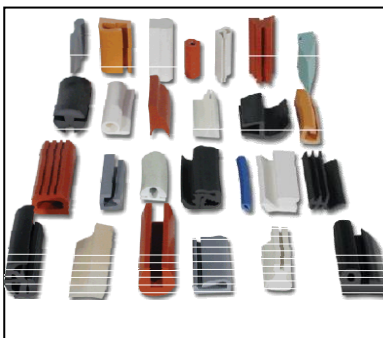

Fax: 079 30075503

10. Rubber Sheets

- I) Plain rubber sheets, Steam sheets, Sponge Sheets, Para Floating Sheets, Food grade rubber sheets.
- II) Insertion sheets (as per IS – 638 : 1965) with / without reinforcements.
- III) Rubberized cork sheets (as per IS 4253, Part II, Grade RC 70 A, B or C) in 600 mm X 900mm or 900mm sizes and thickness 2mm to 16mm.
- IV) Electric Insulation Rubber mats (as per IS 5424 – 1963) in sizes 3' X 6' or 1mtr X 2mtr or as per requirement from 6mm to 25 thickness in Red and Black.

11. Extruded Rubber Profiles

Colored Rubber Tubings, Cords, Channels, 'O' Ring Cord, Sponge Strips, Closed cell strips(CCS) and other profiles made of Silicone, Neoprene, Viton, EPDM, Nitrile and Natural Rubber.

Maruti Plastorub Industries

311NandanvanComplex Opp- RTO Circle Subhashbridge

12. Molded Rubber Components

- Antivibration Pads
- Gaskets
- Blocks
- Washers
- Bushes
- Couplings
- Buckets
- Rubber Cots
- Seals for Autoclaves and Hot air furnaces
- And any item as per client requirement

13. Teflon Products

Teflon Cords, Tubings, Washers, Gaskets, Bushes, Buckets, Valve Balls, Packings, Rotor Blades, Vanes, Line Bellows, Envelope Gaskets and all filled Teflon items viz. Bronze + MOS2, Bronze filled, Carbon filled and Glass filled

Maruti Plastorub Industries

14. Metal to Rubber Bonded Parts

- Metal inserted coupling bushes
- Engine mountings
- Dowty seals
- Spinning Rims
- Clamping Pads
- Sandwich Packing
- Anti vibration Packing in any combination of metal and rubber

15. Solid Rubber Tyres Molded on MS Band and Cushion Tyre for Fork Lifts

Our solid and cushion tyres range is technically engineered to suit all reputed make of Fork lifts, platform trucks, Dango Charger, Alumina Charger and Heavy duty material handling equipment after extensive R &D and field test. Our standard sizes are from 10”x 3”x 6.25” to 26”x 7”x 20” in tyres bonded and molded on MS Bands. Our ranges of Bear Cat Tyres vary from 16”x 4”x 8” (4x8) to 40”x 10”x 20” (1000x20)

Maruti Plastorub Industries

16. Gate Seals for Hydro Power Plants

Gate Seals for Hydro Plants and dams with / without

- Brass /Teflon / S.S. cladding
- Asbestos / Canvas reinforcement with solid / hollow bulb at the centre or at edges.

17. Inflatable Seals and Insert Seals

We have developed glass / nylon reinforced silicone inflatable seals for 100NB, 150NB, 200NB and 250NB Butterfly valves used for Ash Handling system of coal fired Boilers, furnaces, Kilns etc...

Maruti Plastorub Industries

Fax: 079 30075503

18. Engineering Plastic Components

Wheel, Pad, Pulley, Pipe, Rod, Washer, Bush, Bobbins, Light Covers, Strainers, Filters, Ball Grids, Coupler Flange, Tee, Elbow, Pinion Gears, Nylon Nut Bolt and Washer, Spacer in PP, HDPE, LDPE, PU, PVC, FRP, Nylon – 6/66 etc... as per specification.

19. Rubber Conveyor Belts

We are manufacturer of Rubber Conveyor Belts which constitute Nylon / Nylon (NN), Polyester /Nylon (EP), Cotton / Nylon (CN), Cotton / Cotton (CC). It has carcass with straight ply, stepped ply, breaker ply and “edge-lock” where required.

The above construction, with a wide range of protective rubber covers, are manufactured in widths up to 2000mm in a most modern automated plant, using the finest raw material inputs.

Length: Open or endless upto 500mtrs in single length provided the diameter does not exceed 10 feet

Fabrics Plies : 2 Plies to 8 Plies

20. Dome valve & Dump valve

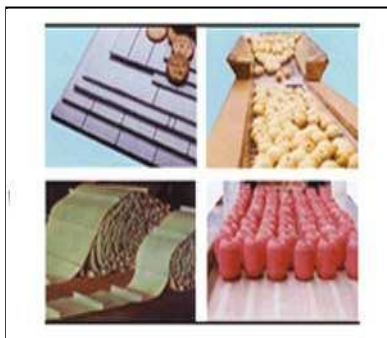

Seals for 100 NB, 150 NB, 200 NB and 250 NB
Butterfly Valves

used for Ash Handling System of Coal fired
Boilers, furnaces, kilns
etc.

We have also developed Insert Seals for 100 NB,
150 ,200 NB, 300 NB

Dome Valves and Dump Valves made of
Silicone,
Neoprene & EPDM Rubber

21. Light Duty Industrial Belts

We offer following Industrial Belts also:

- PVC / Polyurethane Conveyor Belts
- Nylon Sandwiched Power Transmission Belts
- Teflon Coated High Temperature Belts
- Timing Belts
- PU Cord

Textile, Paper, Steel Plant, Pharmaceutical,
Food Processing, Engineering and many
other allied industries are the areas where
we are catering to with our range of power
transmission, tangential drives, open end
drives and light duty conveyour belts in
different size and construction.

22. Hoses & Hose Assembly / Fittings

High Pressure Hose, Medium Pressure Hose, Low Pressure Hose, Petroleum Hose, Textile Hose, Industrial Hose, Steam Hose, Pneumatic Hose, Acid and Alkali Hose & Hose Assembly.

Superseding IS, BS & SAE100 Stds...

trusted by OEMS of Hydraulic, Welding equipment & Earth Moving Machinery.

Separate hoses for Suction & Delivery. Our expertise lies in Hydraulic Hoses & Spiral Hoses for heavy duty application.

23. Air Brake Shoes

Specialistz-: Viton Rubber Chevron Packing, silicon Diaphragms, Hydraulic seal kits, **Air Tube Brake shoe**

Maruti Plastorub Industries

Our other product offering:

- Spares parts for Boomers of Atlas Copco (L2D), Temrock, Axera, Ro-Bolt used in Construction sector (dams / hydro electric projects).
- SMS Demag Gaskets – We have developed SMS Demag Gaskets SN 922 from sizes 15NB to 1700NB (PN 6 to PN 40).
- Spare parts of Shot Crete Machine of Aliva & Local Indian make.
- Seals kits for Heavy Earthmoving, Mining and Construction Equipments of all makes and models viz. BEML, CATERPILLAR, DAEMO, DAEWOO, DEMAG, ESCORTS, HITACHI, HM, HYUNDAI, JCB, KOMATSU, L&T, L&T-CASE, L&T-KOMATSU, TATA-HITACHI & others.
- Seals for AUDCO Butterfly Valves – We have developed seals for AUDCO Butterfly Valves upto 750NB in Silicone, EPDM & Neoprene rubber. We can also make any type of seal for Butterfly Valve of any make.
- Spare Parts for CNC Machines – We have developed various seals, rubber parts, quad rings etc. in Viton, NBR, PTFE, Bronze Filled PTFE for various CNC Machines of HMT, Praga, Kirloskar and others. We can also manufacture parts as per customer needs.
- Special Seals – We have developed all seals for Wheel Turning Lathes of HEGEN SCHEIDT Mfd Gmbh make.
- Piston & Guide Rings for Compressors and Expansion Engines – made of Carbon Filled and Glass Filled PTFE.
- Latex Sheets – Natural Rubber Latex Sheets; 0.1mm to 0.8mm thickness; Elongation at break more than 600%. Max size 2ft x 3ft; any color.
- Hatch Cover Rubber Packing – used in Shipping industry, Conforming to Mac Gregor or TTS standard. In three sizes. In three skins.

We also Mfg of Hylume, Ebonite, Bakelite & ETC.....

Thanking You
